***SFD = Southern Federation Of Dance***

***Examinations will be conducted at Dance Plus studios, generally on a Sunday. Students must arrive 30 minutes prior to their allocated exam time, to warm up, and will be able to leave on completion of their exam. Students are examined in small groups. Jazz and Ballet exercises are done together and the dance is presented with a partner.***

***It is highly recommended that Exam students attend at least one other class. Introduce your child to dance and movement in a relaxed, non-pressured environment where the emphasis is on individual development and enjoyment.***
